Subject: High-Dollar Overpayments for the quarter ending December 31, 2017

Date: January 11, 2018

The purpose of this document is to comply with the High-Dollar overpayments' reporting requirements addressed in the Office of Management and Budget (OMB) implementation guidance M-15-02 Circular A-123, Appendix C, dated October 20, 2014, relative to Executive Order 13520. The OMB implementation guidance makes necessary for agency heads to submit reports quarterly on high-dollar overpayments to the Office of Inspector General.

The Corporation for National and Community Service (CNCS) identifies high-dollar overpayments through improper payments testing, which was completed in Q4 of FY2017. Therefore, during the reporting period covering 10/01/2017 through 12/31/2017, CNCS has not identified any high-dollar overpayments.

This report upholds the Corporation's commitment to carrying out the Executive Order's goals of eliminating payment errors. Reducing improper payments remains vital for the Corporation. We continue to monitor programs in order to reduce the amount of overpayments.
