Extension for completing the NSCHC Assessment

The [CNCS Knowledge Network website](#) is experiencing technical difficulties which have impacted the access for grantees of NSCHC Assessment documents. Therefore, we are extending the deadline to complete the required Assessment by five days to December 5, 2014.

Separately, we have also made the documents available to all grantees as an attachment via email. To avoid any last minute issues, access the required Assessment forms immediately.

Please be aware the [certification of completion](#) of the Assessment due by December 5th is accessed through Survey Monkey. The Survey monkey links have not been down at any time during this assessment period.

For the [NSCHC online quiz](#) some have received a “Page Not Found” notice upon submission. This is due to the redirect at the end of the quiz to the Knowledge Network. This does not mean your quiz entry did not go through. You do not have to complete the Quiz again if you received a page-not-found notice.

If you have questions, please contact your CNCS program officer or state specialist.
