CNCS's New NSCHC Video Training Library

Need a quick refresher on key parts of the National Service Criminal History Check (NSCHC) requirements? This new video training library covers NSCHC basics in short, digestible segments. In just a few minutes per segment, you'll learn how to identify covered positions, document initiation, document accompaniment, and more. [Take a look!](#)

This video series is not a substitute for the thorough training our new [eCourse](#) on the NSCHC requirements provides, but it is a great way to brush up on the basics and get tips for handling specific challenges. If you have concerns or questions regarding these updates, please contact your CNCS Program Officer or Grants Officer. Please send suggestions for future bulletin topics to Brad Lewis, at blewis@cns.gov.
