Grants and Financial Management

Corporation for
NATIONAL &
COMMUNITY
SERVICE 

Dear Colleagues,

In September 2015, the Corporation for National and Community Service (CNCS) executed a contract with Fieldprint, Inc., to provide grantees with access to adjudicated FBI fingerprint-based national criminal history background checks.

Grantees may use Fieldprint to obtain FBI checks if they cannot successfully receive this service from state repositories. If you are one of the many grantees that can obtain timely FBI checks through your state repository—keep using it! If not, use Fieldprint.

Service is expected to begin by January 2016. To obtain checks, grantees will work with and pay Fieldprint directly. **CNCS has posted more information about these new services on its Knowledge Network. Please [view this document](#) to learn more.**

In Service,

Corporation for National and Community Service Grant Offices
Washington, D.C. and Philadelphia, Pennsylvania
