CORPORATION FOR NATIONAL & COMMUNITY SERVICE

Dec. 5, 2019

Dear Grantees,

This email is in regard to a price change for some state criminal history checks processed through Truescreen, the CNCS-approved vendor for state criminal history checks and checks of the National Sex Offender Public Website.

As of December 6, Truescreen state check prices will reflect some recent changes to state passthrough fees. Truescreen has not changed the prices for its services. The updates are to the state passthrough fees charged directly by individual states and which are included in the criminal history cost for Truescreen checks of those states. Affected states/territories and price changes are listed below. Please note that all but four states/territories below are included in the Truescreen Alternative Search Procedure (ASP) and the National Fingerprint File (NFF) ASP.
