IV. BUDGET AND PROGRAMMATIC CHANGES

A. Programmatic Changes. The recipient must obtain the prior written approval of AmeriCorps before making the following changes:

1. Changes in the objectives or goals of the program, whether or not they involve budgetary changes.
2. Entering into subawards or contracting out any activities funded by the award and not specifically identified in the approved application and/or award.

B. Changes in the Budget. The recipient must obtain the prior written approval of a AmeriCorps Portfolio Manager before deviating from the approved budget in any of the following ways:

1. Specific Costs Requiring Prior Approval Before Incurrence under the uniform administrative requirement, cost principles, and audit

requirements for Federal awards at 2 CFR Parts 200 and 2205. Certain cost items in 2 CFR Parts 200 and 2205 require approval of the awarding agency for the cost to be allowable. Please ensure you consult the regulations prior to incurring costs to ensure allowability.

2. Purchases of equipment over \$5,000 using award funds, unless specified in the approved application and budget.

C. Approvals of Programmatic and Budget Changes. AmeriCorps' Portfolio Managers are the only officials who have the authority to alter or change the terms and conditions or requirements of the award. Portfolio Managers will execute written amendments, and recipients should not assume approvals have been granted unless documentation from the Office of Grant Administration (OGA) has been received via a notice of grant award. Programmatic changes also require final approval of OGA after written recommendation for approval is received from the Portfolio Manager.

V. REPORTING REQUIREMENTS

Reporting requirements in these terms and conditions apply only to the recipient. The recipient is responsible for timely submission of periodic financial and progress reports during the project period and final financial report.

A. Financial Reports. The recipient shall complete and submit financial reports in eGrants (Financial Status Reports on menu tree) to report the status of all funds. Recipients must submit timely cumulative financial reports in accordance with AmeriCorps guidelines according to the following schedule:

Due Date	Reporting Period Covered
July 30	Start of award through June 30
January 30	July 1 - December 31

B. Progress Reports. The recipient shall submit progress reports in eGrants according to the following schedule:

Due Date	Reporting Period Covered
March 31	Start of award year through December 31

C. Final Financial Reports. Recipients completing the final year of their award must submit, in lieu of the last financial report, a final financial report in eGrants. This final financial report is due no later than 120 days after the end of the project period.

D. Final Progress Reports. Recipients completing the final year of their award must submit, in lieu of the last annual progress report, a final progress report. The final progress report is due no later than 90 days after the end of the project period.

E. Request for Extensions. Each recipient must submit financial and progress report by the given dates. Extensions of reporting deadlines will be granted only when 1) the report cannot be furnished in a timely manner for reasons legitimately beyond the control of the recipient, and 2) AmeriCorps receives a request explaining the need for an extension before the due date of the report.

Extensions of deadlines for financial and progress reports may only be granted by a Portfolio Manager.

VI. AWARD PERIOD AND INCREMENTAL FUNDING

For the purpose of this award, the project period is the complete length of time the recipient is proposed to be funded to complete the approved activities under the award. A project period may contain one or more budget periods. A budget period is a specific interval of time for which federal funds are provided to finance a recipient's approved activities and budget.

Unless otherwise specified, the award covers a three-year project period. In approving a multi-year project period, AmeriCorps generally makes an initial award for the first year of operation. Additional funding is contingent upon satisfactory performance, a recipient's demonstrated capacity to manage an award and comply with award requirements, and the availability of Congressional appropriations. The project period and the budget period are noted on the award document.

The project and budget period may be extended—at no additional cost to the government—via a No Cost Extension, which the grantee should request prior to the expiration of the award.

VII. PROGRAM INCOME

A. General. Income, including fees for service earned as a direct result of the award-funded program activities during the award period, must be

retained by the recipient and used to finance the Commission Support grant's non-AmeriCorps share.

B. Excess Program Income. Program income earned in excess of the amount needed to finance the recipient share must follow the appropriate requirements of 2 CFR Parts 200 and 2205, in particular, 2 CFR 200.307 - Program Income and be deducted from total claimed costs, or with approval from AmeriCorps through a budget amendment be used to enhance the program (additive process). Recipients that have unexpended program income must report it on-line "O" of the Federal Financial Report (FFR).

VIII. KEY CONCEPTS OF FINANCIAL GRANTS MANAGEMENT TRAINING

All recipients and subrecipients must complete and retain a certificate of completion of the AmeriCorps' Key Concepts of Financial Grants Management eCourse training every year to ensure that recipients and subrecipients are aware of major financial grants management requirements for all federal recipients and subrecipients. The AmeriCorps designated eCourse provides a thorough overview of the requirements and can be found at: <https://americorpsonlinecourses.litmos.com/account/login/?C=7513619>.

Each grant recipient and subrecipient must identify at minimum one staff person who has some responsibility for financial grants management compliance to fulfill this requirement on behalf of the grant recipient or subrecipient. The grant recipient and subrecipient must retain the certificate of completion and assign staff to retake the course annually prior to the expiration of the certificate. Grant recipients and subrecipients must save certificates of completion from each year as grant records.
