A. PROGRAM DESCRIPTION

A.1. Purpose of AmeriCorps Seniors Foster Grandparent Program Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country’s most pressing challenges through national service and volunteerism. AmeriCorps members and AmeriCorps Seniors volunteers serve with organizations dedicated to the improvement of communities and those serving. AmeriCorps helps make service a cornerstone of our national culture.
Established in 1965, the AmeriCorps Seniors Foster Grandparent Program (FGP) is an intergenerational program that engages adults ages 55 and older as volunteers who serve as one-on-one mentors and tutors to provide social and emotional support to children with special or exceptional needs, or who are at an academic, social, or financial disadvantage. AmeriCorps Seniors Foster Grandparent volunteers serve an average of 20 hours per week in schools, Head Start and other early education centers, hospitals, juvenile detention facilities, or other childcare settings. AmeriCorps Seniors volunteers commit to an ongoing relationship with the children they serve for an academic year or longer. (94.011)

A.2. Funding Priorities
AmeriCorps recently released its 2022-2026 Strategic Plan that defines the agency’s goals, objectives, and strategies to both meet and exceed the agency’s mission to improve lives and strengthen communities. Over the next 5 years, AmeriCorps will execute the following goals to better position the agency to respond to national and local needs and help the communities it serves prosper: partner with communities to alleviate poverty and advance racial equity; enhance the experience for AmeriCorps members and AmeriCorps Seniors volunteers; unite Americans by bringing them together in service; effectively steward federal resources; and make AmeriCorps one of the best and most equitable places to work in the federal government.

Over the next five years, AmeriCorps will invest in existing and new partnerships with non-profit, faith-based, Tribal organizations, and state service commissions, to get things done for America. We will prioritize investment in the most critical issues of our time – public health, climate and the environment, education, and economic opportunity – within AmeriCorps’ Focus Areas (Appendix F) and will increase our efforts to ensure our AmeriCorps members and AmeriCorps Senior volunteers reflect the communities where they are serving. We will target our investments toward communities where the need is greatest, particularly those with populations that face racial inequality and poverty. These steps will enable more Americans than ever to strengthen the communities that need it most across the nation through their service.

Incumbent projects that currently receive an AmeriCorps Seniors FGP grant are invited to submit applications for the AmeriCorps Seniors FGP grant sponsored by their organization. Incumbents are invited to apply for grant continuation or renewal based upon the determination that the project is continuing to meet the eligibility criteria as delineated in this document.

AmeriCorps Seniors will prioritize national service investments in the following areas:
- AmeriCorps Seniors is committed, in this grant cycle, to focus on programs that actively engage in removing structural racial inequities, advancing racial equality, and increase opportunity to achieve sustainable change in communities.
- AmeriCorps Seniors encourages grant applications to include work plans that advance justice and equality in areas such as healthy futures.
- AmeriCorps Seniors encourages applicants to focus on efforts to help local communities respond to and recover from the COVID-19 pandemic. Applicants may
propose programming in the healthy futures focus area to aid communities as they recover from the COVID-19 pandemic.

- AmeriCorps Senior prioritizes grant making in the Education focus area identified by the National and Community Service Act of 1990, as amended by the Serve America Act.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

A.3. Performance Goals or Expected Outcomes

National Performance Measures
AmeriCorps expects applicants to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work and to make strategic adjustments to achieve their goals. Applicants are required to use the specific performance measures outlined in this Notice. For more information, please refer to the National Performance Measures Instructions. See the Program-specific evaluation requirements. Performance measures can be accessed by scrolling down to the FGP Grantee Resources Section, and Filter for Establish Performance Measures.

Applicants must identify a Primary Focus Area. Work plans must include at least one service activity in the selected Primary Focus Area. The Primary Focus Area should represent the area in which the incumbent aims to make the most impact. All proposed volunteers and the intended impact of their service must be represented in the narratives, in a performance measure and in the budget.

This funding opportunity requires applicants to demonstrate cost-effective practices in achieving performance goals through the services described in the proposed work plans. Applications must include work plans that meet the following minimum requirements: for every $9,000 in annual base federal funding, at least one Volunteer Service Year (VSY) must be incorporated in outcome-based work plans and must produce National Performance Measure outcomes in the Education focus area.

Volunteer Service Year (VSY): VSY is a budget term which equals 1044 service hours. The standardized stipend cost per VSY is calculated by multiplying the number of hours served by the current cost per hour for the stipend (1044 hours x $4.00 per hour).

A.4. Program Authority
Awards under this Notice are authorized by the National and Community Service Act of 1990, as amended, (42 U.S.C. §12501 et seq.) and the Domestic Volunteer Service Act of 1973, as amended (42 U.S.C. 4950 et seq.)
B. FEDERAL AWARD INFORMATION
This Notice includes the deadlines, eligibility requirements, submission requirements, review criteria and other information applicable to FGP continuation and renewal applications. This document in addition to the grant application instructions must be reviewed in order to complete your application. This Notice is for current grantees in Year 3 of their current grant and seeking to renew their grant with a renewal application (for Year 1) or current grantees in Year 1 or Year 2 of their current grant and seeking to continue their grant with continuation applications (for Years 2 or 3). Please pay careful attention to sections that are specific to continuation applicants and instructions specific to renewal applications.

AmeriCorps Seniors has increased the hourly stipend rate for volunteers from $3.15 to $4.00 an hour for FY23. Grantees must ensure their FY23 proposed budgets incorporate this rate increase, and cost per VSY does not exceed $9,000.

B.1. Estimated Available Funds
AmeriCorps Seniors anticipates approximately $109 million for FY 2023 Foster Grandparent Program awards. The actual level of funding is subject to the availability of annual appropriations.

B.2. Estimated Award Amount
Award amounts will vary, as determined by the scope of the projects. AmeriCorps Seniors expects to make awards in the range of $0.00 to $2,000,000.00.

B.3. Period of Performance
Successful applicants will be issued awards by March 31, 2023, to support a period of performance that begins on April 1, 2023.

B.3.a. Continuation Grants
Continuation funding for years 2 and 3 is not guaranteed and may be dependent upon:
- Satisfactory performance that signals the grantee is on track to achieve its proposed performance measures at the end of the grant
- Demonstrated capacity to manage the grant
- Compliance with grant requirements, including terms and conditions, criminal history checks, reporting and securing the required non-AmeriCorps share
- Availability of Congressional appropriations

B.3.b. Renewal Grants:
AmeriCorps anticipates making three-year grant awards for successful renewal applications. However, applications for funding must be based on a one-year period of performance and a one-year budget. Actual award periods will vary due to program requirements, the availability of appropriations, or specific circumstances of an individual application.

AmeriCorps reserves the right to adjust the amount of an award.

B.4. Type of Award
FY 2023 Foster Grandparent Program grants will be awarded on a cost reimbursement basis.
Award recipients will be assigned to an AmeriCorps Portfolio Manager, who will be responsible for assessing recipient performance, providing training and technical assistance, and serving as the agency’s primary point of contact.

C. ELIGIBILITY INFORMATION

C.1. Eligible Applicants

Through this Notice, only AmeriCorps Seniors FGP grantees who currently receive federal funds for an AmeriCorps Seniors FGP grant or have an approved no-cost grant ($0), may apply for funding.

The following non-Federal entities (all of which are defined in 2 CFR 200.1) are eligible to apply:
- Indian Tribes
- institutions of higher education
- local governments
- nonprofit organizations
- state service commissions
- states and US Territories

In addition to Indian Tribes as defined in 2 CFR 200.1, tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes are also eligible to apply. If an entity applies for an award as a tribal organization that is controlled or chartered by one or more Indian Tribes, and if it does not meet one of the other eligibility categories, the organization must provide copies or links to documentation which demonstrates that the organization is controlled or chartered by a federally recognized Indian Tribe. If an entity applies as an organization authorized by a federally recognized tribe, or multiple specific federally recognized tribes, it must submit a resolution or other authorization, adopted by the Tribal Council (or comparable tribal governing body) of each Indian Tribe. The authorization(s) must identify the entity applying for an AmeriCorps award by name as a tribal organization that is authorized by the Indian Tribe(s) for the purpose of applying for AmeriCorps funding (or federal grant funds generally).

Applicants must have a valid SAM registration and Unique Entity Identifier to receive an award. See Section D.3. Unique Entity Identifier and System for Award Management (SAM) for more information.

C.2. Cost Sharing or Matching

Applicants are required to match funds equal to 10% percent of their total requested 1-year program budget. The applicant's match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must indicate whether the match is proposed or secured and maintain documentation. Applicants must demonstrate the ability to meet the 10% percent match requirement at the time of application submission. If needed, a match waiver request
can be submitted. Please see the Match Waiver information for AmeriCorps Seniors Grantees located on the AmeriCorps website’s Manage Your Grant webpage.

Non-AmeriCorps Federal funds are allowed as match if the Federal agency that is the source of the funds approves its use as match. Applicants must maintain documentation of this approval.

See Section D.6. Funding Restrictions for more information.

C.3. Other Eligibility Requirements
Applications that propose to engage in activities that are prohibited under AmeriCorps’ statutes, regulations, or the terms and conditions of its awards are not eligible to receive AmeriCorps funding.

Note that under appropriations provisions annually enacted by Congress, if AmeriCorps is aware that any corporation has any unpaid federal tax liability
• that has been assessed;
• for which all judicial and administrative remedies have been exhausted or have lapsed; and
• that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability;
that corporation is not eligible for an award under this Notice. However, this exclusion will not apply to a corporation that a federal agency has considered for suspension or debarment and determined that suspension or debarment is not necessary to protect the interests of the federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the Internal Revenue Code of 1986, 26 U.S.C. §501 (c)(4) that engages in lobbying activities is not eligible to apply for AmeriCorps funding.

- Strengthening Communities, Recruitment and Development, Program Management, Organizational Capability, Other, and Cost-Effectiveness & Budget Adequacy narratives.

The application page limit does not include the Budget, Performance Measures, Continuation Changes, Clarification, or any required additional documents.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. The character limits in eGrants do not align with page limits set in the Notice. **AmeriCorps strongly encourages applicants to print out the application from the “Review and Submit” tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.**

AmeriCorps will not consider the results of any alternative printing methods when determining if an application complies with the page limit. Reviewers will also not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

**D.3. Unique Entity Identifier and System for Award Management (SAM)**

All applicants must register with the System for Award Management (SAM) at and maintain an active SAM registration until the application process is complete. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. See the [SAM Quick Guide for Grantees](#).

SAM registration must be renewed annually. AmeriCorps suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and physical address on all grant applications to AmeriCorps. The legal applicant’s name and physical address in eGrants must match exactly the applicant’s SAM-registered information.**

Applications must include a valid Unique Entity Identifier (UEI), which is generated as part of the SAM registration process. AmeriCorps will not make awards to entities that do not have a valid SAM registration and Unique Entity Identifier.

Applications must include an Employer Identification Number. The UEI and Employer Identification Number must be entered by the organization’s Grantee Administrator as an organization attribute, and this will apply the information to all applications for the organization.

If an applicant has not fully complied with these requirements by the time AmeriCorps is ready to make a federal award, AmeriCorps may determine that the applicant is not qualified to receive an award and use that determination as a basis for making a federal award to another applicant.
D.4. Submission Dates and Times

D.4.a. Application Submission Deadline
Applications are due not later than Wednesday, November 02, 2022, by 5:00 p.m. Eastern Time.

AmeriCorps will not consider applications submitted after the deadline, except as noted in Section D.4.c. Late Applications. AmeriCorps reserves the right to extend the submission deadline. AmeriCorps will post a notification in the event of an extended deadline on AmeriCorps’ website.

D.4.b. Additional Documents Deadline
Additional documents are due by the application submission deadline. See Sections D.4.a. Application Submission Deadline and D.7.b. Submission of Additional Documents for more information.

D.4.c. Late Applications
All applications received after the Wednesday, November 02, 2022, at 5:00 pm Eastern Time, submission deadline published in this Notice are presumed to be non-compliant. To overcome this presumption, the applicant must:

- submit a written explanation or justification of the extenuating circumstance(s) that caused the delay, including:
  - the timing and specific cause(s) of the delay
  - the ticket number if a request for assistance was submitted to the AmeriCorps Hotline
  - any information provided to the applicant by the AmeriCorps Hotline
  - any other documentation or evidence that supports the justification
- ensure that AmeriCorps receives the written explanation or justification and any other evidence that substantiates the claimed extenuating circumstance(s), via email no later than 24 hours after the application deadline as stated in the Notice.

Communication with AmeriCorps staff, including an applicant’s portfolio manager, is not a substitute for a written explanation or justification of the extenuating circumstance that caused the delay as outlined above. Applicants are required to continue working in eGrants, AmeriCorps’ web-based application system, and with the AmeriCorps Hotline to submit the application. AmeriCorps will determine whether to accept a late application on a case-by-case basis.

Applicants that do not meet the application submission deadline and do not submit a written explanation or justification or any other evidence to overcome the presumption of non-compliance within the published timeframe will be deemed noncompliant. If AmeriCorps sustains a noncompliant determination, the application will not be reviewed or selected for award.

AmeriCorps will not consider an advance request to submit a late application. Please carefully review and follow the guidance in this section and submit your application as soon as possible.
D.5. Intergovernmental Review
This Notice is not subject to Executive Order 12372, “Intergovernmental Review of Federal Programs.”

D.6. Funding Restrictions

D.6.a. Award Funding Requirements
Awards under this Notice are subject to cost share or matching requirements. The amount of funding AmeriCorps provides will be limited to 10 percent of the total allowable costs for the funded activity, as determined under 2 CFR Part 200, Subpart E-Cost Principles.

D.6.b. Indirect Costs
Application budgets may include indirect costs. Based on qualifying factors, applicants may either use a Federally approved indirect cost rate or a 10 percent de minimis rate of modified total direct costs, or may claim certain costs directly, as outlined in 2 CFR 200.413. States, local governments, and Indian Tribes may use previously-approved indirect cost allocation plans. All methods must be applied consistently across all federal awards. Applicants that have a federal negotiated indirect cost rate or that will be using the 10 percent de minimis rate must enter that information in the Organization section in eGrants.

The instructions for how to enter the organization’s indirect cost rate are located here: eGrants Indirect Cost Rate User Instructions. Applicants should not submit documentation addressing the indirect cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization’s indirect costs, the applicant must submit a request to IndirectCostRate@cns.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.6.c. Pre-Award Costs
Pre-award costs, where authorized, are allowed after receiving written approval from AmeriCorps.

D.7. Other Submission Requirements

D.7.a. Electronic Application Submission in eGrants
Applicants must submit applications electronically via eGrants, AmeriCorps’ web-based application system. AmeriCorps recommends that applicants create an eGrants account if necessary and begin the application at least three weeks before the deadline. Applicants should draft the application as a Word document, then copy and paste the text into the appropriate eGrants field no later than 10 days before the deadline.

The applicant’s authorized representative must be the person who submits the application. The authorized representative must use their own eGrants account to sign and submit the application. A copy of the governing body’s authorization for this official representative to sign must be on file in the applicant’s office.
Applicants should contact the AmeriCorps Hotline at (800) 942-2677 or via eGrants Questions if they have a problem when they create an account, prepare, or submit the application. AmeriCorps Hotline hours are posted on website.

Be prepared to provide the application ID, organization’s name, and the name of the Notice to which the organization is applying. If the issue cannot be resolved by the deadline, applicants must continue working with the AmeriCorps Hotline to submit via eGrants.

If circumstances make it impossible for an applicant to submit in eGrants, applicants may send a paper copy of the application via overnight carrier below. Applicants must include a written explanation and any other documentation or evidence that support their inability to submit their application electronically.

E. APPLICATION REVIEW INFORMATION

AmeriCorps Seniors FGP Continuation Grantees must review section E.1. and provide the information as instructed.

AmeriCorps Seniors FGP Renewal Grantees must review section E.2. and provide the information as instructed.

E.1. CONTINUATION APPLICATIONS

Continuation Funding Information and Requirements
Organizations that have current program awards that continue beyond FY 2022 must submit an application in order to be eligible to receive funding for the following year. If a continuation application is not submitted by the due date, or if approval is not given for an extension, then this will be an indication that the organization is no longer interested in receiving funding. Please review the Application Instructions and other appendices.

The hourly stipend rate for FY23 is $4.00. Requests by existing continuation applicants for increases in the level of funding will be assessed based on review of information provided in the continuation application, most recent progress reports, most recent federal financial report, and AmeriCorps staff’s knowledge of the grant program.

To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant. AmeriCorps reserves the right to award applications in an amount less than the requested level of funding and will document the rationale for doing so. Continuation applications must respond to the items noted below for executive summary, program design, work plan, DEIA, and budget.

See section D.2.a for continuation application content.

E.1.a. Executive Summary:

Please ensure the Executive Summary is in the correct format as noted below. Do not deviate from the template below. If the executive summary does not match the template below, applicants will be instructed to correct prior to award.

“The [Name of the organization] proposes to have [Number of unduplicated] AmeriCorps Seniors volunteers who will [service activities the volunteers will be doing] in [the locations the AmeriCorps Seniors volunteers will serve]. The primary focus area of this project is [fill in AmeriCorps Focus Area]. At the end of the three-year grant, AmeriCorps Seniors volunteers will be responsible for [fill in the anticipated outcome(s)]. The AmeriCorps investment of $ [fill in the annual AmeriCorps grant...]
amount or the requested amount] will be supplemented by $ [fill in the anticipated level of non-AmeriCorps resources].”

E.1.b. Program Design:

If there are changes you are proposing changes for FY23, please update in the Continuations tab in eGrants. For example, if the information is no longer accurate due to project or sponsor organization changes, please update. If proposing changes to the number of VSYs or cost per volunteer, you must update your application in the following sections: Strengthening Communities and in the Recruitment and Development of volunteers section. If there are no changes, enter N/A.

E.1.c. Work Plan (s)/ Performance Measures:

Information will copy from your previous awarded application into your continuation application. Work plans are designed to align with the three-year performance period. If you are making changes to your VSYs, then the work plans need to reflect the current number of volunteers and other changes to your service activities. Your performance measures must also be aligned with any changes made to your number of volunteers and service activities. If there are no changes, please do not make edits to the workplan.

E.1.d. Budget:

Update the budget based upon the revised VSY or cost per volunteer for this project period. Incorporate any changes such as new sources of non-AmeriCorps funds, adjustments to the stipend lines, etc. The non-AmeriCorps share must be a minimum of 10%. If needed, you may request a match waiver.

E.1.e. Other Narrative:

All Continuation Grantees must respond to the following: Provide responses to the following questions on Diversity, Equity, Inclusion and Accessibility (DEIA) and Recruitment in the “Other” section of eGrants. Do not revise previous DEIA and recruitment responses in other sections of the application.

- Describe your organization’s DEIA goals and demonstrate what progress has been made toward achieving them?
- In what ways could your organization utilize training and technical assistance, and other resources related to DEIA?
- Describe any challenges your organization is experiencing with recruitment and/or retention of volunteer. Include any relevant information with regard to influencing factors (e.g., Covid-19, inflation, stipend, school protocols), and how AmeriCorps can assist your project in meeting those challenges?
E.1.f. Additional VSY Requests:
If after completing your VSY review (use the VSY Adjustment Calculator to determine the minimum number of VSYs) and a determination is made that additional funds are required to meet your local community and programmatic needs, then complete the following statements in the “Other” section in eGrants:

- Our past performance indicates that we will be able to maintain our current number [include number of VSYs]. As a result, we are requesting additional VSYs [insert number] in order to maintain the current service activities.
- With the volunteer stipend increasing to $4, our program will need an additional $X,XXX in AmeriCorps funds.

E.2. RENEWAL APPLICATIONS
Applications should include a well-designed plan with clear and compelling justifications for receiving the requested funds. Reviewers will assess the quality of applications by using the selection criteria described below and will rate them accordingly.

See section D.2.a for Renewal application content.

E.2.a. Executive Summary:
Please fill in the blanks of these sentences to complete the Executive Summary. Do not deviate from the template below. If applicant does not follow the template below, the application will be returned for correction before an award can be made.

The primary focus area of this project is [fill in AmeriCorps Focus Area]. At the end of the three-year grant, AmeriCorps Seniors volunteers will be responsible for [fill in the anticipated outcome(s)]. The AmeriCorps investment of $ [fill in the annual AmeriCorps grant amount or the requested amount] will be supplemented by $ [fill in the anticipated level of non-AmeriCorps resources].”

E.2.b. Program Design:
Reviewers will consider the quality of the application’s response to the criteria below. Do not assume all sub-criteria are of equal value.

The Strengthening Communities narrative addresses:
- The proposed interventions are responsive to the identified community problem(s).
- The applicant’s proposed interventions are clearly articulated including the design, dosage, target population, and roles of AmeriCorps Seniors volunteers. The applicant’s intervention is likely to lead to the outcomes identified in the applicant’s work plans.
- The expected outcomes articulated in the Strengthening Communities narrative and performance measures represent meaningful progress in addressing the community problems identified by the applicant.
• The rationale for utilizing AmeriCorps Seniors volunteers to deliver the intervention(s), addressing the community need is reasonable.
• How the service of AmeriCorps Seniors volunteers will produce significant contributions to existing efforts to address the stated problem.
• For incumbent organizations, if the anticipated outcomes (performance measures) were not met in the previous three-year grant cycle and those same outcomes are included in this application, include what actions will be taken to meet those outcomes under this new award.
• Provide the applicant’s (organization’s or institution’s) definitions of diversity, equity, inclusion, and accessibility are included AND activities the organization is engaged in related to diversity, equity, inclusion, and accessibility are clearly identified.
• The proposed plan to ensure the project engages a diverse and inclusive group of volunteers is clearly articulated.
• The application clearly states how the project will serve members of the community through an equity lens.
• The description of the community to be served includes demographic, income, and additional relevant information.

E.2.c. Work Plans
Performance Measures should include:

• Description of the community problem being addressed by the individual performance measure.

    1. The community need(s) identified
    2. The service activities that will be carried out by AmeriCorps Seniors volunteers
    3. The instrument description and data collection plans
    4. Target numbers that lead to outcomes or outputs, and are appropriate for the total number of volunteers assigned to the Performance Measure
• The service activities that are defined in each Performance Measure must include the intervention the AmeriCorps Seniors volunteers will implement or deliver, including:
  o The duration of the intervention (e.g., the total number of weeks, sessions, or months of the intervention)
  o The dosage of the intervention (e.g., the number of hours per session or sessions per week)
  o The target population for the intervention (e.g., disconnected seniors/youth, third graders at a certain reading proficiency level)
  o The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served, types and number of activities conducted). If applicable, identify which National Performance Measures will be used as output indicators
  o Outcomes that demonstrate changes in knowledge/skill, attitude, behavior, or condition that occur because of the intervention. If applicable, identify which National Performance Measures will be used as outcome indicators. For every
$9,000 in annual base federal funding, at least one Volunteer Service Year (VSY) must be incorporated in outcome-based work plans and must produce National Performance Measure outcomes in the **Education** focus area.

- All proposed AmeriCorps Seniors volunteers must be included in at least one outcome-based Performance Measure.

• Our past performance indicates that we will be able to maintain our current number [include number of VSYs]. As a result, we are requesting additional VSYs [insert number] in order to maintain the current service activities.
• With the volunteer stipend increasing to $4, our program will need an additional $X,XXX in AmeriCorps funds.

E.3. Initial Application Compliance and Eligibility Review
AmeriCorps will conduct an initial Compliance and Eligibility Review to determine if an application meets the eligibility requirements published in this Notice and advances to the next stage of the review process.

An application is compliant if the applicant:
• is an eligible organization
• submitted an application by the submission deadline

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, determinations of eligibility can take place at any point
during the application review and selection process. Applicants that are determined to be ineligible will not receive an award.

**E.4. Application Review**

**Internal Review**
AmeriCorps Staff Reviewers will assess the applications based on the information provided in E.1 or E.2. Staff Reviewers will also consider the priorities and strategic considerations detailed in this Notice. All Staff Reviewers will be screened for conflicts of interest.

**E.5. Pre-Award Risk Assessment**
AmeriCorps staff will assess the risks to the program posed by each applicant to determine an applicant’s ability to manage Federal Funds. This evaluation is in addition to those about the applicant’s eligibility and the quality of its application on the basis of the Selection Criteria (E.1 for Continuation and E.2 for Renewal). Results from this assessment will inform funding decisions. If AmeriCorps determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk may be applied to the award. Additionally, if AmeriCorps concludes that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

In assessing risks, AmeriCorps may consider the following criteria:

1. **Due Diligence**, including:
   - Federal debt delinquency
   - suspension and debarment
   - information available through Office of Management and Budget (OMB)- designated repositories of government-wide eligibility qualification or financial integrity information, such as:
     - Federal Awardee Performance and Integrity Information System (FAPIIS)
     - U.S. Treasury Bureau of Fiscal Services
     - System for Award Management (SAM)
     - “Do Not Pay”
   - reports and findings from single audits performed under Uniform Administrative Guidance and findings of any other available audits or investigations
   - IRS Tax Form 990
   - Oversight.gov
   - Public Litigation Records

2. **Operational and Financial Management**, including:
   - financial stability

3. **Past Performance**, including:
   - an applicant’s record in managing previous AmeriCorps awards, cooperative agreements, or procurement awards, including:
     - timeliness of compliance with applicable reporting requirements
• accuracy of data reported
• validity of performance measure data reported
• conformance to the terms and conditions of previous Federal awards
• applicant’s ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients
• timely closeout of other awards
• meeting matching requirements
• the extent to which any previously awarded amounts will be expended prior to future awards
• national service criminal history check (NSCHC) compliance. See section F.2.d. National Criminal History Check Requirements and the NSCHC webpage for more information

4. Other Programmatic Risks, including:
   • publicly available information, including from the applicant organization’s website
   • amount of funding requested by the organization

E.6. Consideration of Integrity and Performance System Information
Prior to making any award that exceeds $250,000, AmeriCorps is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (See 41 U.S.C. §2313). Additionally, AmeriCorps may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under $250,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

AmeriCorps may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant’s integrity, business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the Risk Assessment section of this Notice.

E.7. Selection for Funding
The review and selection process are designed to:
   • identify how well eligible applications are aligned with the application selection criteria (E.1 for Continuation; E.2 for Renewal)
   • build a diversified portfolio based on the following strategic considerations:
       o AmeriCorps Funding Priorities (See Section A.2. Funding Priorities)
       o meaningful representation of
           ▪ geographic diversity
           ▪ rural communities
           ▪ small and medium programs
           ▪ faith-based organizations
           ▪ focus areas
In selecting applicants to receive awards under this Notice, the Director of AmeriCorps Seniors will endeavor to include a diverse portfolio of applications based on staff recommendations, alignment with selection criteria, and strategic considerations.

AmeriCorps reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.

AmeriCorps reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the selection criteria (E.1 for Continuation; E.2 for Renewal) that will be used to assess applications.

E.8. Feedback to Applicants
After review of applications, continuation and renewal applications may receive resolution items, which are clarification and/or budget items which must be resolved prior to an award being made. Applicants are expected to adhere to all deadlines or may risk receiving a late award.

E.9. Transparency in Grant-making
Information about funded grants is available in USASpending.gov.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

F.1. Federal Award Notices
AmeriCorps will make awards following the selection announcement. AmeriCorps anticipates announcing the results of this funding opportunity by late March 2023, contingent on the availability of congressional appropriations. All applicants, successful or not, will be notified of funding decisions via email.

Notification of an award is not an authorization to begin activities. The Notice of Grant Award signed by the Office of Grant Administration Grant Award Specialist is the authorizing document. An awardee may not expend Federal Funds until the start of the Period of Performance identified on the Notice of Grant Award.

F.2. Administrative and National Policy Requirements

F.2.a. Uniform Guidance
All awards made under this Notice will be subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), in 2 CFR Parts 200 and 2205.

F.2.b. Requests for Monitoring or Payment Integrity Information
AmeriCorps will request documentation from award recipients in order to monitor the grantee and award to ensure compliance with legal requirements, including the Payment Integrity Information Act of 2019. Failure to make timely responses to these requests may
result in award funds being placed on manual hold, reimbursement only status, or other remedies as appropriate.

**F.2.c. AmeriCorps Terms and Conditions**

All awards made under this Notice will be subject to the FY 2023 AmeriCorps General Terms and Conditions, and the FY 2023 Program-Specific Terms and Conditions for the particular program (when applicable). These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the AmeriCorps General and Program-Specific Terms and Conditions for each of its programs is available at [FGP grantees | AmeriCorps](https://ameriCorps.gov).

**F.2.d. National Service Criminal History Check Requirements**

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. We encourage grantees to minimize barriers to service without putting their program beneficiaries at genuine risk.

- In general, award recipients and subrecipients must conduct an NSCHC for AmeriCorps members, AmeriCorps Seniors volunteers, and all staff funded under, or whose salary is reflected as match on, the award.
- AmeriCorps strongly encourages applicants to review the regulations and additional guidance to fully understand how to comply with the requirements. See [NSCHC regulations and guidance](https://ameriCorps.gov). AmeriCorps also strongly encourages award recipients to utilize the agency-approved vendors to conduct the required NSCHCs.
- Failure to conduct a compliant NSCHC may result in significant disallowed costs.
- The cost of conducting NSCHC is an allowable expense under the award and the individual subject to the NSCHC may not be required to cover the cost without being reimbursed.

An NSCHC consists of a check of the:

1. [National Sex Offender Public website](https://ameriCorps.gov) (nationwide check);
2. State criminal history record repository or agency-designated alternative for the individual's State of residence and State of service; and
3. Fingerprint-based check of the FBI criminal history record database through the State criminal history record repository or agency-approved vendor.

All checks must be conducted, reviewed, and an eligibility determination made before the individual begins work or service.

An individual is **not eligible** to serve or work in a position subject to the NSCHC requirements if:

- the individual refuses to consent to a criminal history check;
- makes a false statement in connection with a criminal history check;
- is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry; or
- has been convicted of murder.
See 45 CFR 2540.200–2540.207 and National Service Criminal History Check Resources for complete information and FAQs.

**F.2.e. Official Guidance**

AmeriCorps active Guidance is available on the agency’s Guidance webpage. The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

**F.3. Use of Material**

To ensure that materials generated with AmeriCorps funding are available to the public and readily accessible to recipients and non-recipients, AmeriCorps reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 CFR §200.315).

**F.4. Reporting**

Award recipients are required to submit a variety of reports that are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Award recipients are required to provide annual progress reports and semi-annual financial and narrative progress reports through eGrants, AmeriCorps’ web-based grants management system. All award recipients must submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

In addition, at the end of the award period, award recipients must submit final financial and progress reports that are cumulative over the entire award period and consistent with the close-out requirements. The final reports are due 120 days after the end of the period of performance.

Award recipients will be required to report at Federal Funding Accountability and Transparency Act Subaward Reporting System (FSRS) on all subawards over $30,000 and may be required to report on executive compensation for the recipient organization and its subrecipients. Award recipients must have the necessary systems in place to collect and report this information. See 2 CFR Part 170 for more information and to determine how these requirements apply.

Once the grant is awarded, award recipients will be expected to have in place data collection and data management policies, processes, and practices that provide assurance that they are reporting high quality performance measure data. At a minimum, award recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- data measures what it intends to measure
- data reported is complete
- grantee collects data in a consistent manner
- grantee takes steps to correct data errors
- grantee actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the award recipient’s ability to secure future AmeriCorps funding.
