### National Service Criminal History Check: FBI Vendor Update

To support our grantees monitoring their grants, AmeriCorps is coordinating with the National Service Criminal History Check FBI vendor, Fieldprint, to map existing subrecipient/subsite Fieldprint accounts. This allows users access to all checks conducted under the mapped accounts. Fieldprint has completed mapping of the grantees and subrecipients/sites who participated in the process last spring. In the coming weeks, AmeriCorps will collect additional grantees or subrecipients/sites that have not yet been mapped. Fieldprint mapping may apply to State Service Commissions or direct grantees whose subrecipients or operating sites have their own Fieldprint accounts.

#### Information Session for Grantees

AmeriCorps will host an information session to review this process and answer questions about Fieldprint mapping. A recording of the session will be available on [Litmos](#).

#### Fieldprint Mapping Information Session

Thursday, Oct. 27, 2-3 p.m. ET
