Monitoring Document Request Grantee Resource

Office of Monitoring

April 15, 2022

Overview

When selected for monitoring, grantees will receive a request for initial documents from the Office of Monitoring. The list of required documents and full document details are in WizeHive; however, this resource serves as an additional reference of the documents requested.

This resource includes the list of documents that may be requested to complete routine compliance monitoring of selected grantees. The required documents depend on the monitoring activity or activities assigned to the grant. In addition, some monitoring activities include a supplemental document request, based on the initially submitted documents. This resource identifies supplemental documents where applicable.

Note that some documents might not apply to all organizations or programs.
