

## National Service in Kentucky

### MEETING COMMUNITY NEEDS IN KENTUCKY

More than 6,200 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Kentucky. Serving at more than 1,000 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$15,390,000 to support Kentucky communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$6,890,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

**AmeriCorps:** This year AmeriCorps will provide more than 1,000 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Kentucky. Most AmeriCorps grant funding goes to the Kentucky Commission on Community Volunteerism and Service, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 9,100 Kentucky residents have served more than 14 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$31,290,000.

**Senior Corps:** More than 5,100 seniors in Kentucky contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 2,200 young people who have special needs. Senior Companions help more than 890 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 480 groups across Kentucky.

**Social Innovation Fund:** The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Kentucky, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$1,340,000 in expanding the impact of 12 nonprofits in Kentucky, selected and supported by 1 intermediary.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit [NationalService.gov](http://NationalService.gov) or [Serve.gov](http://Serve.gov) or call 202-606-5000 or TTY 1-800-833-3722.

Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

- This figure represents the number of awarded positions available to be filled in the 2013 - 2014 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
- This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Kentucky. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
- AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
- The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
- As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 9,100 Kentucky residents have served more than 14 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$31,290,000.

# National Service Impact in Kentucky

## AmeriCorps

The Homeless and Housing Coalition of Kentucky's 45 member "Build Corps" is a statewide program that provides housing services, case management, and hands-on building projects for homeless Kentucky residents. This program was one of the originally funded AmeriCorps programs in 1994. This past year, members provided housing services to 4,053 individuals. Of that, 1,680 individuals transitioned into permanent housing. Additionally all members provided disaster education lessons to 923 homeless individuals.

## AmeriCorps NCCC

River 11 AmeriCorps NCCC team members worked with the Nature Conservancy of Kentucky in five different preserves. Highlights of the accomplished work include building 25 stone steps and 23 water bars and performing maintenance on four miles of existing trail. The team also removed 600 pounds of concrete rubble from Mammoth Cave. The team's work created a more stable environment for visitors. Team members received training on building stone steps, water bars, fencing, barn siding, and picnic tables.

## AmeriCorps VISTA

In 2012, AmeriCorps VISTA members serving statewide through the Kentucky Domestic Violence Association raised \$198,500 from special events and grants that benefited low-income families and victims of domestic violence. Examples of funding sources included a \$15,000 grant from the Kentucky Colonels to purchase a new van for Bethany House in Somerset, a \$15,000 Wal-Mart Foundation grant to support free tax programs for low-income families in Lexington, a "Sushi in the City" event that raised \$9,035 for Family Scholar House in Louisville, a \$20,000 grant from Toyota Manufacturing Kentucky to be used for KDVA's matched saving program for survivors working toward the purchase of a vehicle, and a golf scramble that brought in \$17,000.

## Senior Corps

In 2012, Audubon Area Senior Companions based in Owensboro provided in-home services, at least two times per week for four hours per day, to 296 chronic long-term care clients. More than 70 Senior Companions worked one-on-one with home-bound clients to build and maintain independent living skills. The assistance focused on each client's ability to perform activities of daily living including meal preparation, self-care, and medication compliance. Working in partnership with nine volunteer stations, Senior Companions received four hours of monthly in-service training on aging issues including, among others, hospice, cancer, dementia, Alzheimer's and Parkinson's Disease. A volunteer was named a Governor's "Outstanding National Service Volunteer" last year for his service in helping an amputee male client become comfortable with a prosthetic leg.

## Social Innovation Fund

The Foundation for a Healthy Kentucky, an intermediary grantee of the Social Innovation Fund (SIF), is improving access to health services, reducing health risks and disparities, and promoting health equality in low-income communities in Kentucky. The Foundation receives an average of \$1 million per year from the SIF, which they match dollar-for-dollar. Nine nonprofit subgrantees were selected across the state, to focus on testing innovative strategies to increase physical activity, improve nutrition, curb smoking and other unhealthy habits, and increase access to health services in underserved communities. They tens of thousands of individuals will be served through these organizations.

## Nonprofit Subgrantees in Kentucky

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
Ashland, KY	King's Daughter's Medical Center Foundation for a Healthy Kentucky	The King's Daughter's Medical Center provides mobile health services including advanced screening, health education and cardiac testing focused on eight rural Eastern Kentucky counties.
Bowling Green, KY	Meade Activity Center, Inc. Foundation for a Healthy Kentucky	The Meade Activity Center is working toward a fully operationalizing a community activity center, providing structured after-school activities to low-income children, offering a broad range of nutrition and physical activity opportunities to low-income families, and providing affordable physical activity opportunities to seniors.
Burkesville, KY	Cumberland Family Medical Center, Inc. Foundation for a Healthy Kentucky	The McCreary Family Medical Center is providing approximately 800 patient encounters each month while training additional nurse practitioners and physician assistants in rural McCreary County.
Edgewood, KY	St. Elizabeth Medical Center Foundation for a Healthy Kentucky	The project establishes telepsychiatry in St. Elizabeth Hospital Emergency Departments, which provides immediate access to behavioral health consults (audio/video telemedicine) with mental health professionals for patients in Northern Kentucky.
La Grange, KY	Oldham County Health Department Foundation for a Healthy Kentucky	The Oldham County Health Department is supporting Hope Health Clinic, a free clinic for the uninsured which provides acute medical care, chronic disease management, and patient navigation.
Lexington, KY	St. Joseph Health System Foundation for a Healthy Kentucky	By improving access to care in two low-income rural Kentucky communities, St. Joseph Health System is improving general health status and chronic disease management in particular.
Louisville, KY	Home of the Innocents Foundation for a Healthy Kentucky	In collaboration with local stakeholders, Home of the Innocents is establishing a dental clinic to provide dental services to children in state care, children with special health care needs, and other children and families served by the Home and its partner agencies.
Louisville, KY	Norton Healthcare Centers for Prevention and Wellness Foundation for a Healthy Kentucky	Get Healthy Access Project is implementing a set of linked activities with the goal of reducing cardiovascular disease risk and increasing access to timely healthcare for 2,200 low-income and uninsured residents per year in some of the lowest-income communities in the Louisville Metro area, including West Louisville.
Mt Sterling, KY	Montgomery County Health Department Foundation for a Healthy Kentucky	In collaboration with local stakeholders, Montgomery County Health Department is establishing a health education/navigation program to serve a low-income population in three Appalachian counties: Montgomery, Bath and Menifee.

## Nonprofit Subgrantees in Kentucky

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
Louisville, KY	WIRED65 Regional Workforce Partners/Kentuckiana Works Foundation Jobs for the Future, Inc.	WIRED65 is providing skills assessments, career pathways, and training opportunities to low-income jobseekers and incumbent workers tailored to the needs identified by employer partnerships in the health care and “new auto” sectors.
Newport, KY	Brighton Center Local Initiatives Support Corporation	Brighton Center is building on their innovative combination of evidenced-based best practices in family support, education, and leadership, supported by the work of Family Development Specialists trained in multiple disciplines and serving in the role of “Navigators” of core services.
Covington, KY	Covington Independent Public Schools United Way of Greater Cincinnati (UWGC)	The Covington Independent Public Schools is transforming its Holmes High School campus to an early college high school with each of its 900+ students receiving 15 hours of college credit upon graduation.
