

## National Service in Ohio

### MEETING COMMUNITY NEEDS IN OHIO

More than 10,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Ohio. Serving at more than 1,500 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$26,960,000 to support Ohio communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$10,530,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

**AmeriCorps:** This year AmeriCorps will provide more than 1,500 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Ohio. Most AmeriCorps grant funding goes to the Ohio Community Service Council, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 28,000 Ohio residents have served more than 45 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$87,630,000.

**Senior Corps:** More than 9,300 seniors in Ohio contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 4,600 young people who have special needs. Senior Companions help more than 1,000 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 830 groups across Ohio.

**Social Innovation Fund:** The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Ohio, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$1,860,000 in expanding the impact of 13 nonprofits in Ohio, selected and supported by 1 intermediary.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit [NationalService.gov](http://NationalService.gov) or [Serve.gov](http://Serve.gov) or call 202-606-5000 or TTY 1-800-833-3722.

- Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.
- This figure represents the number of awarded positions available to be filled in the 2013 - 2014 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
  - This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Ohio. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
  - AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
  - The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
  - As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 28,000 Ohio residents have served more than 45 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$87,630,000.

# National Service Impact in Ohio

## AmeriCorps

Ohio AmeriCorps College Completion Coaches provide guidance and assistance to first-time community college students at Ohio community colleges, helping students achieve higher credit hour accumulation and college completion rates. From 2013 to 2014, 25 AmeriCorps Coaches will assist 2,200 students in developmental education/first year experience classes on 11 campuses. From 2012 to 2013, 738 completed one or more credit hours of developmental education. Of these, 506 students completed all of their attempted developmental education courses and 317 students completed their development education courses AND enrolled into college level courses. Forty-one percent of the students served earned their expected number of first year credits; 410 earned the expected credits for a part-time student and 117 students earned the expected number of first-year credits for a full-time student.

## AmeriCorps NCCC

The Youngstown Neighborhood Development Corporation (YNDC) is a citywide, multifaceted neighborhood development organization launched to catalyze strategic reinvestment in City of Youngstown neighborhoods. AmeriCorps NCCC assisted with YNDC's Lots of Green, Model Blocks, and Vacant Land Stabilization programs. Members removed over 14,900 pounds of debris, worked in three community gardens, and removed over 50 stumps. Members learned about the negative impacts that vacant homes have on communities and the importance of productive land use, as well as how to install hoop houses, construct garden beds, and operate power tools like wood chippers. The community gardens benefit the community by providing healthy food options and the opportunity for citizens to grow their own food.

## AmeriCorps VISTA

Lutheran Metropolitan Ministry, located in Cleveland, sponsors six AmeriCorps VISTA members working on developing and expanding social enterprises. Members work with two enterprises, Metro Metal Works and the Central Kitchen. Metro Metal Works is a six month metal fabrication training program that makes quality and affordable bike racks. Participants receive training with the goal of employment in the fabricating field upon completion of the program. Metro Metal Works' four participants produced 180 bike racks which were installed at Cleveland businesses. Central Kitchen focuses on providing healthy meals to area shelters, and is a six month culinary training program. Central Kitchen's 13 participants provide breakfast, lunch, and dinner for the shelter, totaling about 800 meals per day. VISTA members raised \$16,000 in grants and local fund raisers.

## Senior Corps

RSVP partnered with a local community action program in Marietta to accelerate distribution of monthly commodity boxes for low-income seniors. By securing a distribution facility and recruiting and assigning volunteers, RSVP was able to extend the distribution window from the previous four hours a week to three days with evening hours. Previously, if a senior was sick or otherwise unable to pick up during the allocated four hour distribution time, they forfeited their commodity box for the month. RSVP holds boxes for those unable to attend the distribution or, in instances of illness or handicap, will deliver the box to the client's home. The 26 volunteers served 620 hours, resulting in 267 low-income seniors receiving their commodity boxes.

## Social Innovation Fund

With their annual Social Innovation Fund (SIF) grant of one million dollars and their dollar-for-dollar nonfederal matching funds, the United Way of Greater Cincinnati, the Strive Partnership, and other funders will address the needs of low-income children and youth from "cradle to career" in the Greater Cincinnati-area. The United Way of Greater Cincinnati has selected eight nonprofit subgrantees to implement programs in early childhood education and home visitation, mentoring, service learning, arts education, dropout recovery, children's health, college access, and career pathways. The SIF grant builds on years of collaborative work to identify what children and youth in the area need to succeed, measure progress through an annual report card, elevate nonprofit performance through the use of new management tools, and replicate tested programs.
